The USGA reserves the right to disqualify anyone who submits more than one entry.*

## LOCAL & SECTIONAL QUALIFYING

### Location; Transferring

Players' preferences for both Local and Sectional Qualifying locations must be designated on the entry.

If a Local or Sectional Qualifying location has more players than can be accommodated, some players may be transferred to another location and the date for qualifying may be different than the original requested date. Locally exempt players who have filed entries will automatically be placed in the Sectional Qualifying site of their choice. Otherwise transfer will be based on the date of receipt of entry application. Transfers are final. No qualifying site is final until after entries close.

Transfer to another location will be permissible only as follows:

Local Qualifying Rounds-before entries close;

Sectional Qualifying Rounds-before Local Qualifying results are determined.

### Qualifiers' Places; Ties; Substitutions

The number of qualifiers' places in each location will be determined by the USGA after entries close, based on size and playing quality of the field.

A tie for the last qualifier's place, or an alternate's place will be decided immediately by a hole-by-hole play-off.

Substitutions in order of qualifying scores will be allowed for qualifiers unable to compete in the next stage of the Championship. In the case of Sectional Qualifying Rounds, the substitute must play in the location entered by the withdrawn player.

If a qualifying location cannot fill its qualifiers' places for the next stage, or if an exempt player withdraws, the place made available will be reallocated to another location. A reallocation schedule will be prearranged by the USGA.

If a player withdraws before playing a stroke either in Sectional Qualifying or in the Championship proper, a substitution is allowed. Only the USGA may make such substitutions.

### Acceptance of Places; Notice of Withdrawal

On the day of qualifying, every qualifier should notify the Official in Charge whether he will play in the next stage.

If a qualifier or an exempt player withdraws, he must notify the USGA (908-234-2300) promptly in order to insure an alternate fair opportunity to play. Failure to comply may result in disqualification from future USGA competition.

### Exemptions

Players in the following categories will be eligible for exemption. Exemption under categories reserved for amateurs will be granted only to players who are currently amateurs. An amateur who is exempt into Sectional Qualifying or the Championship proper through a category reserved for amateurs becomes ineligible if he becomes a professional before beginning play, or during the play of the Championship. Exempt players who wish to participate in the Championship must file an entry, except those players for whom blank entries are filed as noted below. Exempt players need not meet the handicap requirement.
