The USGA accepts an up-to-date handicap issued from the international body of golf that would be equivalent to a USGA Handicap Index within the prescribed limit for entry into the Championship. Falsification of Handicap Index may subject the player to indefinite disqualification from USGA competitions.

(2) - Note on format for handicap:  
A Handicap Index is entered as up to a two position whole number and a one position decimal. Entering a 2 in the first box above and a 3 in the second box will be understood as 2.3

**Performance in Sectional Qualifying:**

If a player fails to return a score within 12 strokes of the USGA Course Rating™, future entries for a U.S. Women's Championship may be declined if documentation is not provided demonstrating that the player is capable of competing at the national championship level. Please note that players who "no card" are subject to receive a letter from the USGA under the same guidelines as those who do not return a score within 12 strokes of the course rating.

**Withdrawal from Qualifying:** Entrant who wishes to withdraw from Qualifying must notify the USGA (908-326-3400) via e-mail at [champs@usga.org](mailto:champs@usga.org) and the Official in Charge prior to their scheduled qualifying round. Failure to do so will result in disqualification from future USGA competitions.

**Personal Information:** In addition to the use of your Personal Information as identified in the [USGA Privacy Policy](#), by checking the Opt-In box below, you agree that the USGA may also share your personal information with the World Amateur Golf Ranking (WAGR™) System, and with other golf-related organizations, including those conducting golf events. There are many benefits you'll enjoy (see below) when you decide to Opt-In, but it is not mandatory for you to do so for your entry application to be processed. If you Opt-Out, you will still receive correspondence and communication from us relating to the Championship.

Opt-In

Opt-Out

**Benefits of Opting-In:** A benefit of providing personal information to WAGR™, such as your date of birth, is that you may be included in WAGR™ age specific rankings. These age specific rankings may provide you with the opportunity, in some instances, to be considered for exemptions in USGA Championships and other major tournaments. WAGR™ ranks the top amateur golfers in the world based on their average performance in Counting Events on a rolling cycle over the previous 104 weeks. See [www.wagr.com](http://www.wagr.com) and the [WAGR Privacy Policy](#) for more information on how WAGR utilizes your personal data.

The benefit of allowing the USGA to share personal information, such as your email address, with other golf related organizations including golf competition organizers when requested, is that it may provide you with helpful information regarding upcoming golf events.
